

EVERYTHING TO WEAR!

THE time of year has come when every man, woman and child in Williamsburg county must put aside their Summer wearing apparel and don garments that are in keeping with the advanced autumn season, such as heavier underwear, heavier clothing of all kinds—appropriate Millinery, High Shoes, Gloves, Sweater Coats, Hosiery, etc. For anything in these lines it will be to your interest to call at our store and examine our exceptionally large and varied assortment of up-to-date Fall and Winter wearing apparel for all classes. Our Dress Goods Department is Complete.

What's the matter with the correspondents who were to furnish us "copy" for this column? We are willing to donate the space, pay for the type-setting, but please don't expect us to furnish the reading matter. If the hundred or more teachers in Williamsburg county don't think it worth while to contribute enough live matter of interest to their vocation, better abolish the department. A true if trite maxim is to the effect that you can lead the horse to water but you can't create a thirst.

CORTRIGHT METAL SHINGLES

ARE FIREPROOF
Storm-proof, too, because they interlock and overlap in such a way that the flames driving snow or rain cannot sift under them.
Best roof for country buildings, because they're safe from all the elements. They'll last as long as the building, and never need repairs.
We have local representatives almost everywhere, but if none in your immediate locality, write us direct for samples, prices and full particulars.
